

Tomáš Navrátil

Senior Associate

Tomáš Navrátil specialises in acquisitions and sales of companies, private equity / venture capital, corporate law, commercial law (with a special focus on the law of obligations) and legal audits and legal due diligence.

In the area of venture capital, Tomáš has been involved in several transactions, namely on the part of investors but also on the part of founders (i.e. target companies) in recent years. In the area of acquisitions and sales of companies he has also advised buyers as well as sellers, in particular in the construction engineering industry.

Before joining our law firm, he worked for several prominent Czech law companies.

Projects

- advisory to a Czech fund of qualified investors in taking over the majority stake in two construction engineering companies
- advisory to a leading Czech venture capital investor investing in a network infrastructure monitoring company
- advisory to a leading Czech venture capital investor investing in an intelligent household monitoring system developer
- advisory to a company developing technology countering cybercrime and online fraud in connection with a venture capital investment and investors' entry in the company
- advisory to a Czech technology company in connection with a project on R&D and commercial use of a new technology in the space industry
- advisory to an international group manufacturing printed circuit boards in connection with its entry to the Czech market, including the establishment of a joint venture
- advisory to a client in acquiring the majority stake in the leading seller of consumer electronics and one of the largest retailers in the Czech Republic
- advisory to a major Czech entrepreneur in acquiring the majority stake in a food e-shop operator
