

Pavel Krušina

Associate

Pavel Krušina specialises in court, administrative and arbitration proceedings, insolvency law and restructuring, as well as represents clients as injured parties in criminal proceedings.

In dispute resolution, Pavel primarily focuses on the enforcement of intellectual property rights, unfair competition issues, and represents clients in commercial disputes, as well as in the area of compensation for material and non-material damage. In this respect, he also provides legal advice on out-of-court negotiations for amicable dispute settlement.

In insolvency law and restructuring, Pavel primarily provides comprehensive advice on bankruptcy issues, and represents clients in insolvency proceedings and incidental disputes.

Projects

- advising a major foreign company in a dispute over the release of unjust enrichment worth tens of millions of CZK
- representing a world-famous footwear company in administrative proceedings for review of the Industrial Property Office's decision to declare the opposed trademarks invalid
- representing a major Czech film distributor in disputes with its business partners
- representing a leading Czech marketing company in a number of disputes related to the operation of outdoor advertising
- representing clients in promissory note disputes, disputes concerning compensation for damage caused by violation of competition law, disputes over unfair competition claims, disputes over personality protection, disputes over personal injury claims, and disputes over the validity of employment termination
- advising a foreign company as a person injured by an embezzlement offence in criminal and subsequent enforcement proceedings
