

**Zuzana Zavadilová**

Tax Advisor

Zuzana Zavadilová specialises in corporate income tax.

She focuses primarily on the preparation of tax returns and ongoing tax advice to major manufacturing and trading multinational corporations operating in the Czech Republic. Zuzana has experience in preparing complex tax returns for manufacturing companies, especially in the automotive and paper industry, which are often recipients of investment incentives, as well as for corporations operating in the real estate development sector. In her practice, she has also prepared transfer pricing documentation and has been in charge of the complex tax administration of many Czech branches of international corporations.

Before joining HAVEL & PARTNERS Tax s.r.o. (formerly TAX ADVISORY SERVICES s.r.o.) in 2022 she worked for more than 12 years at the tax department of the consultancy firm KPMG Česká republika.
